

MIDVALE

B1912-PBR

A straightforward conical shade is complemented by a similarly shaped canopy or backplate. The hard lines of the cones are broken up by graceful linked metalwork that draws the eye and makes the fixture feel unique. Both the pendant and wall sconce are lit from within by a single small bulb for a beautiful, soft lighting effect. The familiar silhouette and gorgeous warm tones of the Patina Brass make Midvale feel comfortable in just about any interior.
