

MAKIN

PTL1210-PBR/SBL

This versatile plug-in sconce is effortlessly useable. The Slate Blue finish on the shade and arm is gorgeous and works with just about any color palette. The knurling detail on the Patina Brass hardware coupled with the braided black cord give it a vintage industrial vibe. Makin comes in two sizes, both have adjustable shades and one has an extendable, adjustable arm as well. It's perfect as a bedside reading light or styled in reading nooks or other smaller spaces.
